PLAYGROUND BUSY BEE

To complete Stage 1 of our nature-based playground we will be holding a busy bee on

Saturday 26th November 9am – 12pm

This will be followed with a sausage sizzle lunch for all involved.

We are hoping to carry out the following tasks: Assemble a garden shed for 'loose parts' play; make a music station & water wall; Concrete a bridge into position; Plant trees; Position logs into place and dig into ground; Attach trellis to fence & Install an old sink

We are also collecting donations of items for our playground. (Second hand is fine) Required items include:

- A sink
- Rubber conveyer belts
- Concrete Slabs
- Logs
- Pallets
- Pots & Pans & lids
- baking trays
- pipe offcuts
- hub caps
- Cement
- Wire, Cable Ties, chain
- Steering Wheels
- Old xylophones
- Funnels

If you are able to donate any of these items, it would be most appreciated if they could be bought in the week before the busy bee (Monday 21 November). Thank you in advance. If you would like any further information or have some ideas for the playground, please contact Lisa 0408 914 090.
